Brothers and Sisters,

It is with great pleasure to announce and send you this letter on behalf of the Washington State Lodge of the Fraternal Order of Police, the formation and implementation of our own Legal Defense Plan effective July 1, 2004.

This plan will provide the same benefits and coverage's you have been accustomed too through the Grand Lodge's Legal Defense Plan, but less expensive – ONLY \$15.00 per month or \$180.00 per year. We hope to provide and add additional benefits to this plan in the near future. With your application prior to July 1, 2004 the Washington State Lodge will cover any previous incidents in where Legal Defense coverage is needed so long as you were an FOP member in good standing and a member of the Grand Lodge Legal Defense Plan (NOTE: If you currently have submitted a claim or are involved in an incident using the Grand Lodge Legal Defense Plan please notify the State Lodge prior to completing this application.)

One area where we do need your help is in locating and contacting attorneys throughout the state who are willing to participate in this program and to provide a service to our law enforcement professionals protecting their rights and their careers by providing them with expert and professional representation. If you know of an attorney in your area that would be willing to participate please contact the Legal Defense Plan Chairman, Brother Jeff Olson, at [jolson5858@comcast.net](mailto:jolson5858@comcast.net) or call him at 360-518-3450 and provide him with a name and contact number.

Included with this letter is an application that needs to be completed in its entirety. Failure to do so could delay your coverage. We have streamlined the individual payment options for use with either a Credit Card (VISA or MasterCard) payments or Direct Deposit. Just follow the simple instructions on the Application Form. If you have questions please call the State Lodge Office at 800-644-7207.

Your State Lodge Executive Board is proud to bring this program to you at a savings in today's ever increasing trend of rising costs. Please support the FOP Legal Defense Plan by being a member and we will make sure you get the support, should you need it, in protecting your career, your assets and your family's future.

As always, if you have any questions Brother Olson and I are available by phone or E-mail.

Fraternally,

Jack L. Simington
