

WASHINGTON STATE FOP LABOR COALITION

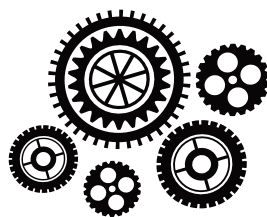

The future of law enforcement labor in Washington state includes a comprehensive plan for the purpose of improving the wages, benefits and working conditions of its members. In addition to reliable, regionally located and educated labor services providers WAFOP also provides a legal defense plan for individual officers to cover administrative, civil and criminal needs.

WHO IS ELIGIBLE

A group of officers or employees located within the state of Washington which constitutes an appropriate bargaining unit in accordance with PERC guidelines is eligible for membership in the labor coalition.
